Plinth Fan Unit

Plinth Fan Unit

Mounts in the base of Type A & B and Series 2005 racks usually at the front. However, it can also mount at the rear. For increased airflow front and rear can be fitted.

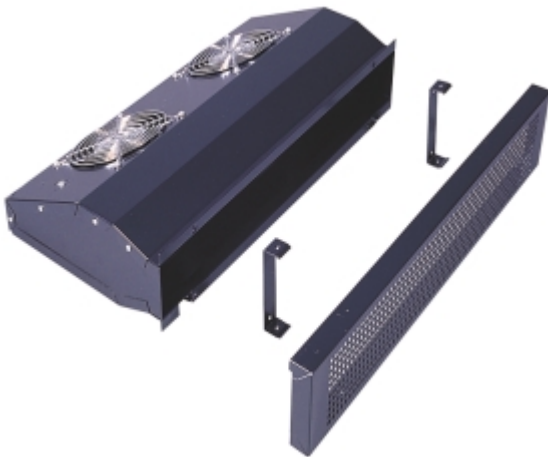

Suits all sizes of Type A & B and Series 2005 cabinets.

The unit does not encroach into the racking area and comes complete with the removeable grille trim.

Option

Filter media to fit the grille trim.
